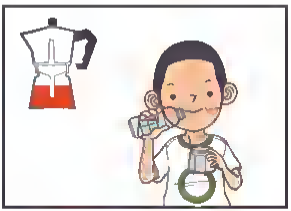
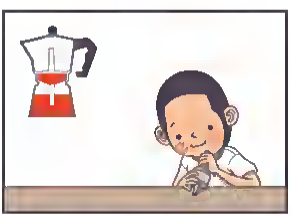
A BITTERSWEET LIFE

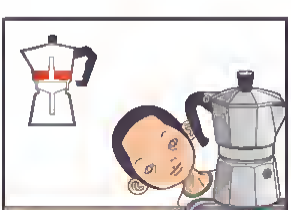
A DAY WITH MOKA POT



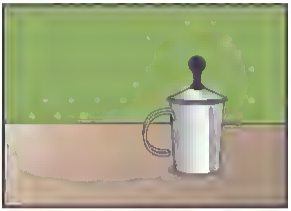
THIS IS HOW YOU USE IT.
FIRST, YOU FILL THE BOTTOM
PART WITH WATER.



THEN, YOU PUT SOME
COFFEE POWDER FULLY
IN THE BASKET



FINALLY, YOU SET IT ON
LOW AND IT'LL BOIL YOU
A CUP OF ESPRESSO.



IF YOU USE THE FOAM MAKER TO PUT SOME FOAMY MILK ON TOP,

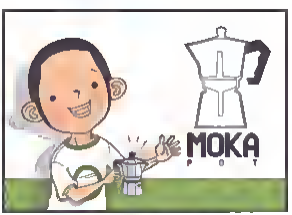
YOU CAN TURN IT INTO AN ESPECIALLY DELICIOUS CAFE LATTE

I USUALLY DRINK RATHER CHEAP COFFEE MIX.

BUT THERE ARE SOME DAYS WHEN INSTEAD OF COFFEE MIX

I WANNA DRINK A COFFEE WITH A REALLY RICH, DEEP FLAVOR

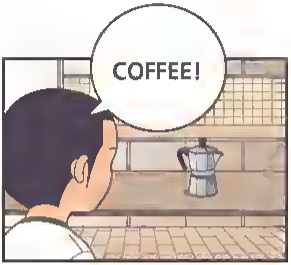
I MEAN A COFFEE
WITH SOME REAL ESPRESSO



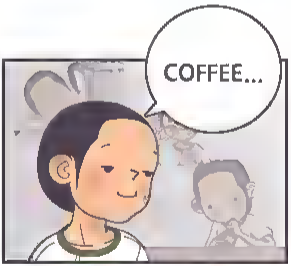
SO I WENT OUT AND BOUGHT
MYSELF A "MOKA POT."

THE MOKA POT IS
KIND OF LIKE A KETTLE
THAT MAKES ESPRESSO.

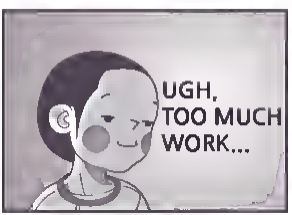
AND IN JUST ONE DAY



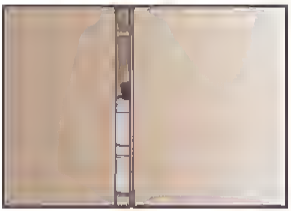
YOU'LL START TO
BE RE-EVALUATING



THE PRODUCT
YOU USED YESTERDAY



LOOKS LIKE I'VE ADDED
ANOTHER THING TO MY



THINGS I BOUGHT THAT
I'LL NEVER USE.
